

## Tâche 2 - Foire de Carrière

**Due date:** Monday, April 3<sup>rd</sup>, 2017

Over the course of this unit, we have learned about different careers in a general sense. This assignment will allow you to dig deeper on a career that interests you and you will also get the opportunity to learn about the career choices of your peers. Thus, your assignment is divided into two parts.

### Part 1

- Your first task is to choose a career that interests you and to do research on it
- Put all your information onto a Bristol board
- Present it to your peers as they walk by your display at the “career fair”

### Part 2

- You will tour the career fair and ask your peers questions about their chosen career
- There are 5 questions you must learn in French
- Then record the answers you get from those questions

## **Part 1 (in more detail)**

Ideas for Bristol board:

- Career name
- Career description
- Higher education (college, university etc.) program needed
- Length of program
- Two schools in Canada that offer this program
- Entrance requirements to be accepted into this program (e.g., admission average, required courses, experience etc.)
- Salary/wage (minimum, maximum, average)
- Why are you interested in this career?

\*It is expected that the material learned in units 1 and 2 is implemented properly in your assignment (e.g., le présent, les noms, les adjectives, les adverbess, le vocabulaire etc.)
